Re: Awards Night Entertainment

Dear Kate,

Just a note to thank you for the great job you did for entertainment at our annual awards night in November. Everyone thoroughly enjoyed your show. It certainly went a long way to make it a special evening for our members. I wouldn't think twice about recommending you for any business group or service club looking for top notch entertainment. Once again thank you and sorry about the delay.

Yours truly,

Neil J. Grant
Executive Officer
