To the performers who bring this show to life;

*Dear Kate,*

On behalf of the thousands of individuals and families that we support, we would like to express our sincere thanks to you for your generous support of the Toronto Association for Community Living (TACL). We look forward to tonight's show and gratefully acknowledge that without you, it just wouldn't come together.

We recognize that there are many shows and events where you are asked to donate time, performance or offer considerations. We are pleased that your attendance and participation in the TACL Night of Stars highlights your support of our work.

For thinking of the Association during this joyous occasion and being with us, we thank you. Your generosity of performance will greatly enhance our vision of a welcoming and inclusive community.

Thank you not only for your performance, but for your kind act of caring.

Sincerely,

*Mary MacDonald - Thanks for making a difference*
